【Season1 (2003~2008)】

RyuChim band can sing and dance. In addition, we can play. We sometimes play comedy, and sometimes human dramas. The most unique thing about this band is featuring of singing, dancing playing. “Chimdon” means fell exited or being bubbling. It sounds similar to the word “Chindon” which is street musician who parade for the advertisement purpose wearing colorful costume. We made a debut in 2006. Since then we could have the chance to be on the TV commercial

■Main records

- 2006 Debut from PONY CANYON INC.
- 2006 Image character of the electronic retailer “Kojima”
- 2007 Live tour in Guangzhou, Chongqing, Beijing as a goodwill ambassador of Japanese music.
- 2008 We had performance in front of 50,000 people in the concert of Song’s day.

【Season2 (2012~)】 We keep music activity in the world with six people after we changed member of the band completely. Our future is “Ryukyu ethnic jazz” . We had gone on a New York tour and Asia tour as a goodwill ambassador. From 2016, we add in Japanese drum. We keep music activity in Asia and Europe and the United States.
